1- Year Manufacturing Defects Guarantee

All Allied Commercial Wear Layer (.20 mil) tiles are backed by a One-Year Manufacturing Defects Guarantee. Allied Tile Corp. guarantees its products to be free from defects in material and workmanship as stated. This guarantee applies to all Allied Tile flooring installed and maintained within the Allied Tile recommended installation and maintenance procedures. All obvious defects must be determined BEFORE installation of flooring. No allowance will be given for material which has been cut or installed. Allied Tile limits its liability to either issuing a credit at net billing price or replacing merchandise. There is no other guarantee either expressed or implied. This guarantee applies for a period of one year from the date of the invoice from Allied Tile to the original purchaser of the flooring only, providing the flooring was installed and maintained as per Allied's recommendations.

This guarantee excludes:

1. Defects found after installation.
2. Additional costs arising from replacement and/or installation.
3. Improper conditions for storing and/or installing floors.

To submit a manufacturer's defect claim the original purchaser should send a written report of the inspection with a copy of the original invoice. Samples of the defect along with an inspection by an authorized representative of Allied Tile may be required for proper evaluation. Please allow two to four weeks to process.
